# GRAB-IT Quick Tub™ Step-in Bath & Shower Conversion System

## What is a **Quick Tub™ Step-in Bath & Shower Conversion System?**

This innovative entry system converts any existing bathtub into a safer step-in shower. A versatile method of converting back to a fully functioning tub in mere seconds.

## Prevent Slips & Falls with Grab Bars and Non-Slip Mats!

An excellent time to think about how to prevent falls is when you should be redesigning or renovating your bathroom. **Grab Bars and Non-Slip Surfaces should be integrated in your plans.**

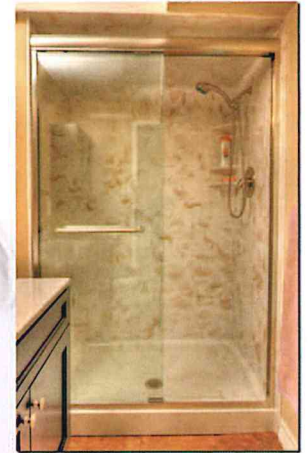

## Walk-In Baths

For someone who requires some assistance while bathing, providing a barrier-free shower with proper drainage accommodates more than one person in the shower for assistance. It also allows adequate spaces for someone to use a shower bench or shower wheel chair.

## Complete Bathroom Renovations

Whether it's a new main family bath, a small bathroom remodel, a powder room or an en-suite bathroom addition we can design and build it for you!

## Bathtub to Shower Conversions

Increase the value and enjoyment of your home by updating a tired bathroom into a spa-like retreat.

Helping you to stay in your home longer.
