

ABOUT ERINOAKKIDS

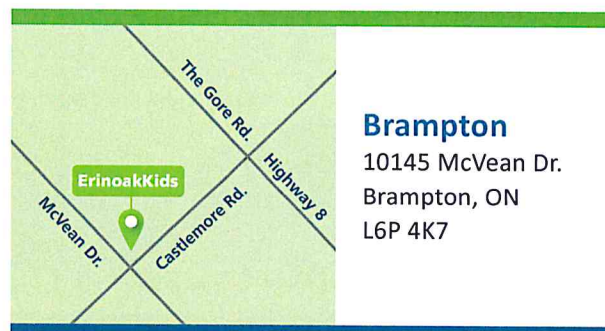

ErinoakKids serves clients with a wide range of physical and/or developmental disabilities, communication disorders, and autism.

Serving Halton, Peel, Dufferin – and for some of our services – Waterloo and Wellington – ErinoakKids has approximately 750 staff members and four sites from which we provide a comprehensive array of medical, therapy and support services that help children and their families.

Our goal is to help each child we serve build on his/her unique strengths, and maximize opportunities for independence, health and well-being. ErinoakKids works from a family-centred philosophy, with a focus on the strength and resilience of our clients and their families.

OUR MAIN FACILITIES

Most of our services are offered at our three main facilities located in Brampton, Mississauga and Oakville. We also offer limited services out of our Orangeville location and, in some cases, in clients' homes, schools and in the community.

Highlights of our three main facilities include:

- Welcoming, accessible spaces, purpose-built to meet the treatment and therapy needs of children with disabilities and special needs
- Accessible playgrounds
- Outdoor areas for therapy
- Snoezelen rooms (a multi-sensory room that promotes communication and social interaction)
- 26-bed regional respite centre, including The Brannon Family Aspen Lodge and The Birch Lodge at The Giampaolo Foundation Clinical Site in Brampton
- Warm-water therapy pool in Brampton
- Fully accessible by public transportation
- Built to LEED Silver standards to ensure sustainability
