

A BENEFICIAL OPPORTUNITY

Short-Term Stays

Imagine a home specially designed around your loved one's needs—with safety, comfort and style.

That's the idea behind Sunrise Senior Living. Founders Paul and Terry Klaassen transformed senior care in 1981 with their innovative, resident-centered philosophy that champions quality of life for all seniors.

Today, Sunrise is still the leader in providing seniors a positive and personalized living experience.

There when you need us, whatever the reason.

Sunrise Short-Term Stays are designed for those times when families:

- Need assistance after a hospital visit or during an illness
- Go on vacation or a business trip
- Require support before, during or after an emergency
- Want a respite from caring for the senior in their life

A short-term stay offers your loved one a chance to make new friends, explore a new hobby and enjoy enriching activities and events. After trying out life at Sunrise, many of our guests choose to become full-time residents.

Prior to a visit, we'll meet to carefully assess the appropriate services and care needed.

It doesn't take long to discover the Sunrise difference.

Benefits of a Sunrise Short-Term Stay may include:

- Fully furnished suites with full bath and an emergency response system
- Trained staff available 24 hours a day
- Assistance with daily needs such as bathing, dressing, personal hygiene and more
- Three delicious home-cooked meals each day, made from scratch with fresh, local ingredients
- Weekly housekeeping, daily trash removal, laundry assistance and scheduled transportation
- Daily programs that nurture mind, body and spirit, as well as frequent social events and outings
